Subject: RA112116 - Job needed please

Hi Michelle,

Can you please make a job for Pat Duval in regards to a return that has not yet been processed? The part is physically with Pat D. Original RA# was RA112116 and it looks like a job was never created when we switched over to Plex. Please see below details, once the job is created please ensure that you reference the original batch number.

Operation Number	Operation	Container No	Job	Master Unit Number	Quantity	Weight	S No
